District 26-M2 Governor Missy's Message

Greetings Lions:

Thank you, thank you, thank you is all I can say to everyone who helped make our district convention a success. A big thanks to the convention committee PCC John Yount, PCC Gina Boettcher, and PDG Sharyn Scheidt who put countless hours of work into this convention, so that all we had to do was show up and have a great time. Thanks also to the clubs and members that took the time to come to any of our convention events.

Congratulations to Lion Joe Foster who was elected to serve as your district governor for next year. I am sad that my year is coming to an end, but I know that you will be in good hands. Also congrats to Lion Jack Lenk who was elected as 1st Vice District Governor and Lion Joe Detter who stepped up and will serve as 2nd Vice District Governor.

If you couldn't make the convention, no worries, there are still a lot of opportunities to attend some great Lion events. The state convention will be held May 1-3 in Cape Girardeau. If you would like more information they have a great website set up at www.molionsconvention2015.com.

Also in May, is Saving Sight's Lions L.E.A.D. (Leadership, Education and Development) Weekend. This is a great chance to learn more about the mission and programs of Saving Sight. It is being held in Jefferson City, MO on May 15-16 and is open to any Lions that are interested.

The last thing I would like to mention is membership. Currently as a district we are -9 members for the year. Let's work together and finish the year strong. Remember there are good potential members out there that are not being asked to join us. ASK ONE!!

Thank you for all you do,

Yours in Lionism,

D & Lion Missy Carr

District Governor 26-M2

State Convention in Cape Girardeau**

If anyone is interested in a District Chairperson position please contact me @ jmcd4@hughes.net.

At District Convention I was elected to serve as District Governor 2015-2016 of this fine District. I look forward to the opportunity of working with the Lions of this District, State, and International. Headed to Hawaii in June to work on my farmers tan! Anyone interested in goin' come on down

Lion Leon Hove of the Washington Lions club won the cooler of booze and other assorted items raffled by the Richmond Lions Club.

Lion Bayless also won the District 50-50 raffle for a large pocket full of cash.

Other Lions won baskets and raffles that I do not have the information for but all of the winners thank the clubs for the opportunity to participate and hope they did well on their individual raffles. Since it appears two Washington Lions were big winners, Washington wants to extend a very special thanks to all clubs for holding raffles at the convention and promises to purchase lots of chances again next year.

Save the Date: Lions L.E.A.D., May 15-16

Lions L.E.A.D. 2015 will take place on May 15-16 at the Capitol Plaza Hotel & Convention Center in Jefferson City. All Missouri Lions are invited to participate, and Clubs are encouraged to send a representative to join the incoming 2015-16 District Governors, 1st and 2nd Vice District Governors, and Sight Committee members.

Lions L.E.A.D. focuses on leadership, education, and development. Participants learn about their state sight project in a conference-style format. Afterward, Lions know more about Saving Sight's mission and programs (e.g., the eye bank and KidSight), the people we serve, and how they can change lives by saving sight in their communities and districts.

Saving Sight will provide hospitality on Friday night, as well as breakfast, and lunch on Saturday for all attendees. If you desire, a block of rooms is being held for us until April 15, 2015 by the Capitol Plaza Hotel at a rate of \$98 per night. Instructions can be found on the registration page. Your spouse or a guest is welcome to attend--just please be sure to add them as a registered attendee so we have an accurate headcount for meals. If you plan to attend, please RSVP by Tues. May 5, 2015.

Lions Volunteer Center Coming in 2015

Lions across the state can look forward to a renovated space in the Columbia office of Saving Sight. Construction on the Lions Volunteer Center will begin this summer for more than 500sq. feet of space to accommodate eyeglass recycling, training, and events.

Saving Sight and the MD-26 Lions are going to begin partnering with ReSpectacle, a national non-profit organization that uses the power of the internet to distribute quality used eyeglasses to the underserved locally, nationally, and globally at no cost.

In this state-of-the-art facility, Lions can continue to collect eyeglasses, and clubs are invited to come to sort, clean, read, and catalog usable eyewear for distribution online via ReSpectacle and abroad by our own eyeglass Lions Mission Clinics begun in 2015.

This space and program will also serve as a resource to Lions Clubs throughout our service area, as they can now direct people in need of free eyewear to ReSpectacle and help improve the quality of life for those close to home. To learn more about ReSpectacle, visit www.respectacle.org.

Welcome These New Members

Have you done your part? Bring in a new member, help us grow!

KidSight Volunteers Wanted

We want your help! Lions across the state have been instrumental in offering Kid-Sight, a very important vision screenings service, and we are grateful for their time. Volunteering is easy, fun, and rewarding. Visit the KidSight calendar at <https://www.saving-sight.org/calendar> to view events in your District. Then, contact the screener directly to sign up for events that fit your schedule.

What can volunteers expect from a screening?

There are three distinct jobs:

Help fill out results cards- print child's full name in designated area and mark pass or refer. Check child's name off of the school list.

Help organize and corral children in a line and direct them to the screener as needed. When child finishes screening give a sticker or stamp their hand with our Lion mascot, Seymour.

Read to the children who are waiting to be screened our signature book "I Can See Just Fine" or other books about vision and the eyes.

Please let us know the name(s), club and the cell phone of the volunteer, just in case there are any last-minute changes.

We ask that the volunteers arrive 15 minutes before the screening begins and that they wear their Lions Vest or a Lions Shirt – again this helps identify the volunteer to the screener, and promotes Lionism.

Please remember we are guests in the schools and centers. We must adhere to school policies regarding confidentiality of students and information, no photography of the children, and inappropriate behavior.

Great Development and Growth Opportunity Coming Up!

With the holidays just behind us, and cold weather of the season all around us, it is hard to think about how quickly summer will be here again. Nevertheless, before you know it we'll be planning for the 4th of July, and that means that the 2015 Great Plans Lions Leadership Institute (GPLLI) is just a few days after that.

Now is the time to start thinking about the great learning opportunity that the GPLLI offers. The return in your investment of time and money is unsurpassed! This year's event will take place on **July 24-26, 2015** at **Jamestown University, Jamestown, North Dakota.**

GPLLI is an intensive, professional and valuable leadership skills program for Lions who have not served as District Governor. You will learn skills for club, job, community and church, as well as personal development. Any Lion, Lioness or Leo who has attained majority and who has not yet served as District Governor is eligible to attend.

The registration cost is \$150 per attendee and covers double occupancy room, seven meals, and all course materials. The best part is that our District has "scholarships" available to successful graduates of the 2015 Institute.

Dynamic presenters from across the Great Plains will provide emerging Lion leaders with modules on communication skills, team building, delegation, time management, conflict management, project management, diversity, motivation, goal setting/action planning/personal mission statement and leading effective meetings.

For an application or more information, check out the website www.gplli.com.

If you have any other questions or would like to find out more about the 'scholarship', please contact District 26-M2 GLT Coordinator, PCC Lion Kimberly Taylor LionKimberly@sbcglobal.net.

Lion Toni Hiking for Cystic Fibrosis and Caleb

Over the next six months I'll be hiking many, many miles---and steep miles at that---to prepare for the Cystic Fibrosis Foundation's XTREME HIKE set to embark Saturday, September 12, 2015 on the Ozark Trail.

I am taking on this extreme endeavor for many reasons. My friend for over 45 years, met at our first job in Maplewood, stood up for each other's weddings and been there through our lives. Now as grandparents, she has been blessed with a beautiful grandson that has Cystic Fibrosis, Caleb. Yes this will be a challenge both physically and mentally for me but it is small to the lifetime of challenges Caleb will face.

I aim to raise **at least \$2,500** to help find a cure for cystic fibrosis---this country's most fatal genetic disease among children and young adults.

Cystic fibrosis (CF) is a life threatening genetic disease that affects the lungs and digestive system. Research and care supported by the Cystic Fibrosis Foundation are making a huge difference in extending and improving the quality of life for those with CF. However, we continue to lose at least one precious life to CF each day. The money I raise will help children like Caleb one of the 30,000 children and young adults in the United States battling cystic fibrosis. This is where, I'm hoping, you come in. Though I can reach the training goals, I need your help to reach my fundraising goal. **Every dollar you donate is 100% tax deductible!**

Making a donation is easy and secure! Just click on this link <http://fightcf.cff.org/goto/TonihikesCF> to make a donation that will be credited to my fund raising. Any amount you can give is greatly appreciated! You can join the fight against CF by simply forwarding this email along to your contacts! You never know who might be able to help and any gift is another step towards a cure.

THANK YOU in advance for your support to my efforts through the 2015 XTREME HIKE! With your help, this endeavor will change lives and someday make CF stand for "Cure Found"!

Sincerely,

Lion Toni Mahoney
