Hello fellow Lions

The 2017 District Convention was a fun-filled, informative and exciting success. It took much work on the part of many people to accomplish this. Thanks to all the Club presidents, Zone Chairs, the rest of the Cabinet, the Convention committee and all who attended. Thanks to Michael for the use of his keyboard and for his work on Sunday morning. Special thanks to Webster Groves Lions for their support and dedication. Even more special, thanks to Lion June for keeping me on track as much as she could. It takes much teamwork to run a successful Convention.

Don't forget the upcoming State Convention in Tan-Tar-A May 4-7. It should be informative and fun-filled. The fellowship in Lionism is amazing. I would also ask you to keep in mind Lions Appreciation night at Missouri School for the Blind on April 30. Let's fill the auditorium with Lions.

We have two more clubs to visit and two more Cabinet meetings. The year is winding down, but the leadership is winding up to get next year off to a great start. I appreciate the support I have received from the District this year and I know that it will continue for Lion DGE Joe Deter and his team. Thank you all for making the best District in the state.

Yours in Lionism

DG Lion Jack Lenk

Lions of District 26M2

I would like to take a moment to let all the Lion's clubs in 26 m2 for the great turnout at our district convention it was awesome, also for the vote that made me your next district governor; I am looking forward to next year with my team of governors and cabinet. With our great clubs and New team we will have a super year. Don't forget our state convention May 4-7th.

Thanks

DGE Lion Joe Deter

Fellow Lions

Representing District 26-M2 as your Second Vice District Governor has been an honor. The District 26-M2 convention March 24-26, 2017 at Doubletree Hotel in St. Louis County was very successful and I hope it was enjoyable for all that attended the convention and/or visited the hospitality room on Friday evening, March 24, 2017. Lion Sandy and I look forward to Lions Leadership Weekend at Midsouth in Memphis, TN on April 7-8, 2017 and the State Convention at Tan-Tar-A, May 4-7, 2017. Do not forget Missouri School for the Blind on April 30, 2017 located at [3815 Magnolia, St. Louis, MO](#). [The tour usually begins at 4pm with supper following the tour](#). We should have more details shortly. We have excellent zone chairmen who have spent a lot of time and gasoline making our district the best in the state.

Lion Duane DeClue, 1stVDGE

Fellow Lions, Friends & Guest,

THANK YOU one and all for electing me as your next 2nd Vice District Governor. I look forward to continue my workings with the past, present and future Leaders and Lions in our District and representing our Great District where ever we go.

Thank You to the House Springs Lions Club for supporting my desires and thank you to all the CC's, PCC's, DG's & lion friends that have supported and coached me.

With that being said, I'm excited to be working with both our District Governor and 1st VDG elects to achieve their goals. I wish to let every Lion know, my door is always open and I cherish the ideas of working with individual members, clubs & Zones and continue the Grand tradition of making our District the Best in the State.

I would like to thank Lion Gary Bougeno (House Springs Lions Club President), Lion George Winkeler (South Side Lion, Father & Best Friend) and PDG Eugene "The Dream" Taylor (Brentwood Lion) for the Fantastic things the said during their nominating speeches.

Lastly, I would like to Thank "our own" Lion Jennifer Wolff (House Springs Lion & Future Mrs. Winkeler), I could not have begun this journey without your support, love and willingness to Serve next to me. I love you more that you ever know, thank you for being my rock.

Yours in Lionism,
Lion George A. Winkeler, Jr
2nd VDG elect

Fellow Lions, The District 26-M7 Lions invite you to the 95th Annual Mo Lions

State Convention (May 4 – May 7). As PDG Debbie Blumenberg would say, "today, is the day to register"! Following is

the link, which provides the details, as well as the link to register: <http://www.molionsstateconvention.org/>
<http://www.molionsstateconvention.org/Registration.html>

Just as is done for the Lions District 26-M2 Convention, there will be a hospitality night during the State Convention. District 26-M2 will be hosting a hospitality booth however, we do not have any funds allocated for the State Convention's hospitality night. Therefore, your assistance is appreciated (individually or from your Lions Club). Please consider making monetary donations or otherwise, such as food (perhaps some of you have connections with a restaurant, of which they may be willing to donate food), soda, adult beverages, paper cups, paper plates, plastic utensils, etc. If you are able to contribute, other than a monetary donation, and you are unable to attend, arrangements will be made for transporting your donation. Since our District is so good at hosting hospitality booths, the challenge is on to demonstrate this to the other Mo Lions Districts!!!

Monetary donations should be made payable to District 26-M2 and please mail the check to Lion Kathy Pusateri, [1843 Charity Court, Fenton, MO 63026](#)

If you have any questions, please contact 26-M2 District Governor Elect, Joe Detter at (636) 232-3150 or myself at (314) 249-7530.

Thank you for your consideration!

Yours in Lionism, Lion Kathy Pusateri

BEST **"VIP TALENT CONTEST"** EVER

The Maplewood Lions club had their third annual **"VIP GOT TALENT"** on March 11, 2017. Usually the initials VIP refer to Very Important People, and in this case it has a double meaning. It still stands for Very Important People and it also stands for Visually Impaired People, meaning that all the performers are visually impaired.

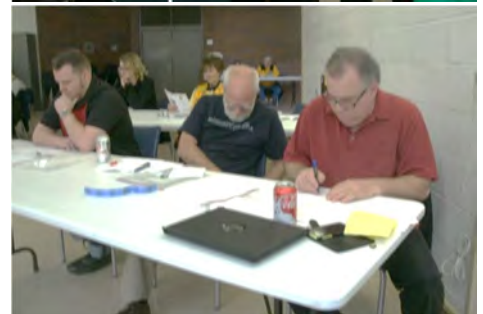

The contest featured eighteen acts varying from opera to rap singers; from keyboard to kazoo players and from poetry readings to comedy acts, including a great Minnie Pearl act. The Maplewood Lions Club is very proud of the annual event and actually, eight of the performers are members of the Maplewood Lions Club. Our own 26-M2 Governor, Lion Jack Lenk, of the Webster Groves Lions Club, was able to come by after riding on the St. Patricks Day parade float and close out the contest by doing a very special comedy act.

The first place performer, and the winner of the \$150 prize, was Mike Arrigo who sang Music of the Night, from Phantom of the Opera. The second and third place winners had a tying score and each received \$75 in prize money. Those acts were Carolyn Johnson who sang Wouldn't it be Lovely from My Fair Lady and Michael Hamm who played It Had to be You on the piano.

The contest was held at the Missouri School for the Blind Multi-purpose room. The Maplewood Lions club wishes to thank the school for providing a great space for this contest each year. We also want to thank Missouri School for the Blind superintendent, Geoffrey Barney for serving as the Master of Ceremonies for the third time. He really keeps thing moving and adds his own special comedy between acts. We especially want to thank the three judges who were all serving for the first time this year. A big thank you to Bryan Mueller who is the music teacher at MSB, to Paul Ehresman who coaches some of the MSB sports teams and to Bryan Lee. Judging such a different variety of acts certainly can't be an easy job.

By selling ads in the program, securing great raffle prizes from local merchants and by selling drinks, snacks, etc. at the event, the Maplewood Lions club was able to make a nice profit than can be used for Christmas gifts for students at the Missouri School for the Blind and the Maplewood Secret Santa program, the USO, college scholarships, supporting local food pantries as well as the Leader Dog program and other worthwhile projects.

The Maplewood Lions Club has 13 visually impaired members and claim that we have more than any other Lions club anywhere. Until someone proves us wrong, we will continue to claim this unique distinction. Looking forward to the fourth annual, and better than ever, **"VIP GOT TALENT"** contest again next year.

"STUFFED LIONS" Our club purchased 72 stuffed lions for the Webster Groves Police Department. The officers keep these in their patrol cars for giving to children who may have been traumatized by an event to which the officers responded. An additional several hundred dollars were also presented for the purchase of replica badges for the same purpose.
