Hello Lions, well we had a great convention. I would like to thank all the convention committee for their hard work they did putting on a great convention. I would also like to thank all of the clubs in 26-M2 for their help this year. I think our convention was a great success, especially Friday night was a really good time with a lot of people. International Director Tom and wife Lion Gillian were so much fun. They are great people. All Lions who received awards were well deserved. Thank all of you.

I'm looking forward to the State Convention on the 26th through the 29th of April, hope to see you all there. Also don't forget about our International Convention coming up at the end of June in Las Vegas. I hope everyone can come. As always if anyone needs anything from me, just give me a call. Thanks for all you do for lions, remembering **WE SERVE**

DG Joe Detter

Greetings Lions,

Spring has arrived and all the lions clubs are busy in their communities, and along with spring also comes new ideas. The membership in this district is a positive so that means that lions have also been busy asking new members to join. With those new members come new ideas that may be good to utilize and try in your clubs. I am beginning to fill my cabinet for 2018-2019, if you are interested in a position please contact me and I will see what I can work out. I do think that is very important to get new people involved in the district and new ideas to make the district grow and evolve into the future. With a fabulous District Convention behind us and the State Convention quickly approaching, I encourage all lions to attend and learn more about the great organization that we serve in.

Yours in Lionism,
DGE Lion Joe Foster

Lions of this Wonderful District,

Thank You for your Support and Confidence in voting me in as you 1st District Governor elect, I know Lion Jennifer and myself are looking to the next few Years.

With that being said, we are still looking to finish this year **STRONG**, we are currently leading the State in new members and as today we are a + 18 for the year. Way to go M2. Lets keep it up and show why we strive to be #1.

The District Convention is now only a memory and a Great time was had by All, International Director Tom and Lion Gillian said that the convention was one of the Best they have ever been to.

The State Convention is next, April 26-29, we are hosting it this year and I would **LOVE** to see everyone there. We are welcoming many Lions from around the State and a Past International President from New York, come join us...

As PDG Debbie says ... " **TODAY IS THE DAY** " !! make plans to come, bring your club members and your prospective members and show them how "Together We Can Do So Much."

Lastly, its the beginning of our busy time, BBQ's, Trivia nights, Ride for Kids Sight, etc. Get out there and support other clubs. If your Club is looking for Help in a Fundraiser, we can hook you up with clubs that want to partner. Turn your Fundraisers into FUNraisers and watch the smiles develop and you own club membership climb.

I am here for all of you, if you need me call me, if you have questions, wants or desires, contact me. If I don't have the answer, my cell phone has a number of someone that does.

Lets Enjoy Lions Together.

Yours in Lionism,

1st VDG-Elect George

Fellow Lions,

Our journey continues! I have learned a lot from each of you in the years leading up to this election and I know that I'll continue to learn and grow in Lionism. Special thanks to my family for their support and encouragement in ALL of my volunteer endeavors, the Wildwood Area Lions Club for their whole-hearted endorsement and Lion Devin Struttman and PCC Charlie Hartmann for standing up to nominate me.

I am very excited about the 2018-2019 year and the plans being discussed to move our District forward. Thank you, also, to all of the PDGs who allowed me to serve on their cabinets. You have been my Guiding Lions for further leadership in our organization. I will continue to seek your guidance.

District 26-M2 has many dedicated leaders. Together we can make it work for the good of others. Where there's a need, there's a Lion!

2nd VDG-E Sandee Marshall

The District GLOBAL ACTION TEAM unites Chairpersons for Leadership, Service and Membership to assist Clubs in meeting their goals. If you are ever need assistance, don't hesitate to call/text or email.

This is a great time for upcoming LEADERSHIP opportunities. First, don't forget to enter your new club officers on the LCI website. This will allow us to get the information into the district directory. Then, please plan to attend and promote our College of Knowledge events. We will have three sessions: May 14 (Union), May 15 (Bonhomme), and May 19 (House Springs, following the Eye Wrap). The College of Knowledge is perfectly suited for all incoming club officers. However, the training is open to all Lions and we promise

there will be something for everyone. If you attend any of these sessions, there will be a meal offered. If you're interested in advanced training, then you should consider the Great Plains Lions Leadership Institute. This will be held at Northwest Missouri State University this July 27-29. Our district has available scholarships that will cover your costs. Lastly, please consider joining us this September 20-22 for the USA/Canada Forum to be held in Columbus, Ohio. As you can see, there are some wonderful opportunities available. If you have interest or any questions, please contact Lion Devin Struttman at (314) 277-8292 or devin@admr.com.

There are many advantages to electing a lion in your club to the newly-created position of CLUB SERVICE CHAIRPERSON. This person will have access to the service reporting area on myLCI, relieving the club secretary of that responsibility. They will receive special mailings about ways to implement new service projects or tweak existing projects to make them more successful, relevant and visible to your community. This position could be an entry level opportunity to encourage future club leaders. Learn what the position is all about in the Club Service Chairperson e-Book in the member center section on LionsClubs.org or contact 2nd VDG-E Sandee Marshall at (314)498-0659 or greengal@charter.net.

District 26-M2 is looking GREAT in MEMBERSHIP! As of March 31st, we are at 39 clubs & 1,447 members, which gives us a plus 17 for the year! Let's keep this trend going! There is a WORLD of information on the LCI website. Go to www.lionsclubs.org and click on Member Center. This website is an amazing resource; it's free and easy to

use. Check it out today! As we get to the end of the Lionistic year, clubs tend to do housekeeping and we definitely want to end the year on a positive note. Don't forget that the Global Action Team is here to serve all the clubs in the district. Lion Pam Manuel, Global Membership Chairperson, typamed@gmail.com, 636-675-3186.

EVENING AWARDS and BANQUET

Lions Clubs and Individuals Honored with Prestigious Award

PDG Haywood Snipes dedicated many years to Lionism and was instrumental in the creation of the first Lions Eye Bank at the University of Missouri in 1960. PDG Snipes raised more than a quarter of a million dollars to build the nonprofit organization that is known today as Saving Sight. Saving Sight was the parent organization of the children's vision screening program, KidSight. Without his tireless efforts, neither organization would exist as it is today.

To honor his legacy the Haywood Snipes Award is given to Missouri Lions Clubs or organizations each time they donate a cumulative \$10,000 to support KidSight and Saving Sight. We recently had the privilege of honoring the Clubs and individuals listed below:

Lion Stan Rehn honored by Concord Village Lions Club
Lions Larry and Margaret Duncan honored by Owensville Lions Club
Lion Bob Williams honored by Independence Noland Road Lions Club
Lion Donald Knipp honored by Auxvasse Lions Club
Lion Charlie Hartmann honored by Lemay Jefferson Barracks Lions Club
Lion Jack Cobb honored by Eldon Lions Club
Lion Dennis Horn honored by Jefferson City Evening Lions Club
PDG Lion Freda McKee honored by Columbia 20/20 Lions Club
Lions John and Kathy Reese
Green City Lions Club
Alma Lions Club
Savannah Lions Club
Moscow Mills Lions Club
PDG Association of 26-M5 honored PDG Donald D. Ohrenberg and the Lafayette Lions Club

We are so thankful for the generosity and support from these and all Missouri Lions Clubs. This support ensures that KidSight is able to continue providing sight saving screenings and follow up care for children around the state.

"In spite of the weather, the 5th Annual Webster Groves Lions Easter Egg Hunt went on , and thanks to Lion Sandy for making the last minute call "it's on!". The weather cooperated and gave us a window of opportunity.

191 youngsters in four age groups participated and found all 2,100 eggs in 20 minutes. We hope everyone had a good time and no one went home disappointed.

And many thanks to the volunteers, both Lions members and non-Lions, for their help in stuffing eggs, setting up, **planting** eggs, monitoring the event, and cleaning up. It took us a couple of hours to set for the 20 Minute hunt, but the kids probably enjoyed it for the next couple hours. Watching and listening to them made it worthwhile. A video is posted on facebook--

The Webster Groves Lions Club sincerely appreciates all of the help.

We look forward to doing the 6th Annual Hunt next year"

RE: 2018 COLLEGE OF KNOWLEDGE

We have organized **THREE College of Knowledge** training programs for ***Presidents, Secretaries, Treasurers, Vice Presidents and Membership Chairpersons, and any other Lion that may be interested in finding out what each of the positions does.***

The 2018 College of Knowledge will feature an overview of all club officers and their responsibilities and duties. We will discuss the Lions Club International resources that are available. We will also cover specific information about our district as well as helpful tips unique to each position.

These classes are required for all incoming club officers. As Club President, this is one of the requirements for the 100% award. This training is vital to each of the Officers and Chairpersons, including but not limited to on-line membership reporting and where to find forms and publications.

The first session will be held on ***Monday, May 14***, hosted by the Union Lions Club. The location is at Hagie's 19th Hole, 618 N. Washington Avenue, Union, MO 63084. Dinner will be provided at 6:30 p.m. with training at 7:00 p.m.

The second session will be held on ***Tuesday, May 15***, hosted by the Bonhomme Lions Club. The location is at West County Lanes, 15727 Manchester Road, Ellisville, MO 63011. Dinner will be provided at 6:30 p.m. with training at 7:00 p.m.

The third session will be held on ***Saturday, May 19***, hosted by the House Springs Lions Club. The location is their hall at 6482 Highway MM, House Springs, MO 63051. Lunch will be provided at 1:00 p.m. with training at 2:00 p.m. This session will be held in conjunction with our annual Eye Wrap. Come out early at 10:00 a.m. and join us for that first. It will be a fun, full day of Lions service and learning.

Since all sessions will include food, we will need an advance count. Please contact me by May 7 and provide the session you plan to attend. In order to cover the meal costs, we will be accepting donations.

Clubs are encouraged to "excuse" participants from club meetings on these dates in order to attend the College of Knowledge and to count it as being in attendance. We will provide attendance vouchers if requested.

The ***training is open to all*** and we are encouraging everyone to attend (even if you do not hold a position in the upcoming year). Our hope is you learn enough to be encouraged to become an officer in following years. These training sessions are ***critical to the success*** of District 26-M2, and we urge everyone to attend one of these sessions. Please make sure to pass this information along to all your Club officers and members. If you have any questions or wish to RSVP, please contact me.
