District Governor

Hello all

I am back from Chicago and had a great time, lots of training. Our new slogan is the power of WE. Together we can make our District the best in the state. As your Governor our team will work with the clubs to do whatever they need. All you have to do is ask and my team will be there for you. Looking forward to the club visits. Feel free to call me anytime. I am proud to be your Governor.

Lion Joe Deter 26-M2

First Vice District Governor's Report

A big thank you goes out to all the clubs in the district for reporting your 2017-2018 officers so that our directory will be current. We would like to welcome our new district and club officers. Lion Pam Manuel will be our new district membership chairperson. Lion Devin Struttman will be our new leadership chairman and outlined the duties and responsibilities of our zone chairmen at the recent G-force meeting in an excellent manner. Lion Sandee Marshall will be our new service chairperson. Service activity reporting and LCIF donations are areas where we could use improvement. We are now performing at a level comparable to the best Lion Districts in the nation. We are the best district in the state and working toward being the best district in the nation. Your continued excellent performance will make this possible.

1st VDG Duane DeClue

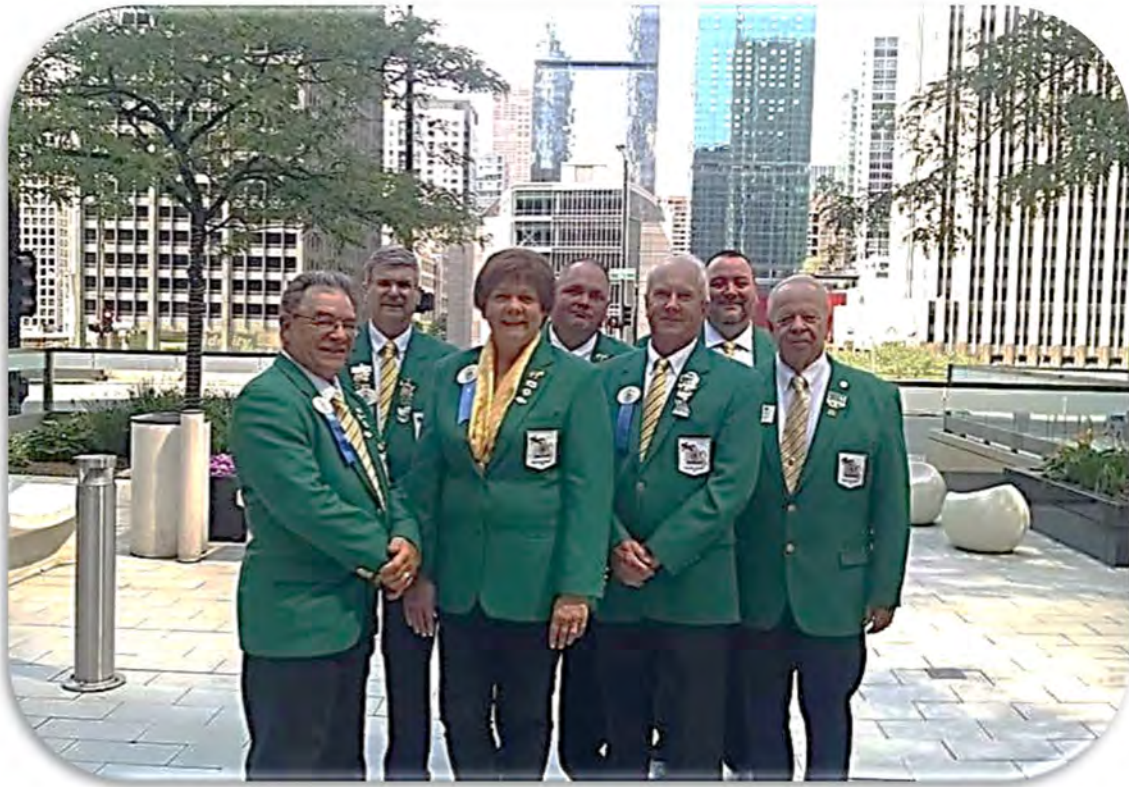

Second Vice Governor

Hello Lions,

For those that missed the 100th Convention in Chicago, it was quite a happening. We celebrated the past, relished in the present and planned for the future. This is something I would like to start in our own District, every Lion and club working together to build a larger, stronger team. 'Today is the Day', to start on this quest to make our clubs and friendships stronger. Together we can conquer the World, Together we can Change the World.

Yours in Lionism,

2nd VDG George Winkler

We are going to try a classified ad article in the Roar

If you have anything related to Lions that you can't use any longer but could be of use to another club list it here for sale. For instance a popcorn machine you can't store, BBQ grills, kitchen items, float decorations, beer cups and pitchers, plates the list goes on and on. We want only Lions related item. There will also be a wanted list. Let's give it a try.

While I'm talking, Lion Becky Speeler and I are collecting club related tee shirts for a quilt to be auctioned off for the district. Ticket will be drawn at the District 26-M2 convention. We need one from each club, the shirt doesn't have to be new or in great condition. Please bring them to the cabinet meeting or give them to your zone chairman, Lion Becky, or me. We really need them ASP. The quilt will have a square for each club. If you have a shirt from special events with you club name on it that would be great or just the club name is fine. It will be similar to this one pictured here.
