District 26-M2 Governor Sandee's Message

Fellow Lions,

This Lions' year began with a very discouraging outlook but with the support and dedication of our M2 members, it is ending in a very positive trend. Clubs are meeting in person again. Fundraising and service are ramping up. Clubs are helping other clubs. New members are being inducted. Our brainstorming session to "Build A Vision" and increase membership generated new enthusiasm. And our first all-District BBQ was a major success with 15 clubs represented and having fun together.

We won't forget the Lions that we lost during this year but we will carry on our mission in their honor.

This is not an ending but a new beginning! DG-E Devin Struttman has recruited a great team to move the District in an even more positive direction. I am certain that you will give him the help and determination needed to further enhance District 26-M2.

Thank you to everyone who advanced the **20/20 Vision of Service!** I look forward to continuing to serve together in 2021-2022 and beyond....

District Governor Sandee Marshall

District 26-M2 DG-Elect Devin's Message

Hello Lions,

Summer is finally here... definitely my favorite time of the year. I hope everyone has some fun events, outdoor activities, and vacations planned.

It's definitely been fun to be in-person with the Lions of the district. We've been busy visiting clubs and it's great to see all the club activity. Upcoming activities include picnics, fairs, festivals, carnivals, BBQs, etc. Please keep us posted with all of your service projects and fundraisers.

Also, keep us posted as you plan new member inductions, officer installations, or any award presentations. We'd love to be involved and participate should you desire. We definitely want these to be special events for your members.

As this Lions year comes to a close, I want to thank Governor Sandee Marshall for her leadership. It has been an honor to serve with her and learn from her. Things were certainly not "normal" this past year but she always kept the Lions of our district first and foremost. She plans to remain active in the district and we're extremely grateful. Governor Sandee, thank you for sharing your "20/20 Vision of Service."

Happy Summer!

*Lion Devin Struttmann,
District Governor-Elect*

District 26-M2 1st VDG-Elect Jeff's Message

Happy Almost Summer Lions!!!

As we move into the last few weeks of our current Lionistic Year, I would like to thank you all for your support and dedication for service!! It has been a very, VERY different year for our organization and district. District Governor Lion Sandee is ending her year in a positive note!!

We have adapted and have overcome our service offerings during this pandemic. We have gone through lockdowns all the while missing our personal interaction as Lions. So many Zoom meetings and finally now back to meeting in person. It was a great day spending time with each other at the District Picnic over the weekend. It was well attended, and we had a great time visiting and just being Lions! Special thanks to the Wildwood Area Lions for doing the cooking!

It has been a privilege and pleasure to spend this past year serving as your 2nd Vice District Governor.

Many thanks to our leadership for adapting and keeping our organization viable and engaged.

Leadership from the state, district and global levels has helped us keep on track and the ability to move forward during these trying times.

I am truly excited as we move into the new Lionistic Year under the new leadership of District Governor Elect Lion Devin. I see great things on the horizon!!!

Special congratulations to the recipients of the awards this past year. Such a special honor!

Please remember to support each other as we migrate out of the pandemic and keep your eyes on the service(s) we provide to our communities.

To make a difference as Lions, we need to “Be the “Difference”.

Yours in service,

*Lion Jeff Rackovan,
1st Vice District Governor-Elect*

MESSAGE FROM YOUR GLOBAL TEAM

New Voices Spotlights!

Our May New Voices Spotlight provides a look into the life of a mom, and dedicated Lion. Lion Jennifer Brody of the Hillsboro Lions Club has been a member since 2014, and their President for 3 years.

Lion Jennifer's journey started when her husband's childhood memories caused him to reach out to LIONS here in Missouri. *"My late husband found the Hillsboro Lions Club. He was from the East Coast and remembered going to Lions Clubs meetings with his grandfather in New York City as a child. When he heard there was a Lions Club in Hillsboro he went to check it out. The group was so welcoming and fun and friendly that he wanted to join and convinced me to do so also. He passed away very suddenly in 2015, and this Club was so gracious to me. After becoming an active part of the club for a few years, they welcomed me to help lead the group."*

LIONS have come a long way since the days when women were not allowed to join many clubs. Fortunately, Lion Jennifer doesn't face any challenges as a woman in LIONS. *"I am very welcome to lend my voice and my energy to our effort to serve and even lead our service. As a busy mom, I am challenged to fit in a life of service to my community with all of my other responsibilities, but the Lions' Clubs are a good way to stay involved in my community and teach my boys to do the same."*

The Hillsboro Club has completed a number of projects and fundraisers that make Jennifer proud and enthusiastic to be a Lion. From creating and maintaining a legacy project Butterfly Garden, in honor of the former first lady of Hillsboro, Audrey Vreeland, to providing eye exams and glasses. This is a busy Club.

"I was very proud of our Club and our community who held an impromptu bar-b-q that raised over \$4,000 for the Detter family this past year after a tragic house fire took the lives of several members of their family. I was proud to help coordinate a food drive this past January that brought in much needed donations and cash to our local food pantry."

Being a Lion is not just always about serving, but it is about fun, fellowship, and friends. Keeping LIONS involved and excited is important for all Clubs. According to Lion Jennifer, the Hillsboro Club is on top of it! *"Our Club has so much fun and works together so well to serve in our community and to be there for each other. There is so much to do, so many ways to serve and a whole next generation of young people who will want to serve alongside us! I am proud to serve with a group of people who are really here to serve where needed."*

When it comes to helping others find their "sweet spot" in volunteering, Lion Jennifer has some great thoughts that everyone should hear as we emerge from a pandemic, and begin to get back to "normal". *"Serve with what you have. It doesn't really take that much to make a big difference sometimes. It just takes a willingness to help and an eye for what is needed. There is room for everyone to help and be involved. Make room for new people, new ideas and new ways to serve. We need all of us working together to serve well."*

"You never know what another person is going through. Behind their smile may be a lot of pain. So be kind. Always. Also, do not ever think you know how a person will act or behave before you even give them a chance to be themselves. God uses those we might think of as "unqualified" to do amazing things. We'd be best to stay out of His way to use them."

-----< Θ >-----

For the final New Voices Spotlight in this Lionistic year, I thought what better way to celebrate the future of LIONS then to highlight a young girl who comes from a long family history of Lionism. Although not yet old enough to be a LION, Daisy Bradford is the essence of our youth, so willing to volunteer and give back to her community. As we embrace the coming year, let's think about how we can continue to cultivate our youth into becoming long term LIONS.

Daisy Bradford started volunteering with the Webster Groves LIONS Club in 2019 by helping at the Club's largest fundraiser, the 4th of July Carnival and BBQ. However, it was not her first introduction to LIONS. You could say Daisy is part of a family legacy. *"My aunt, Denise Yost, and my grandpa Marshall Yost, were Lions. My grandpa had been a LION for over 40 years. He loved volunteering and serving others. He was the one who taught me how important it is to help others. He spent all of his free time dedicated to the LIONS and he rose to be a district governor. He is a huge inspiration and I hope to honor him by serving as he did. Maybe even longer!!"*

Keeping volunteers engaged and welcome as part of the Club is the key to their continued participation. Volunteering at the Webster Groves club events, recurring projects, and fundraisers, brings a feeling of pride and satisfaction to Daisy, which only makes her want to continue volunteering more. *"The monthly BBQ's and the service project meetings where we make blessing bags and do other projects to help those in need."* However, even though Daisy is eager to volunteer, she finds it challenging to get new young adults interested in volunteering. With our youth involved in so many activities through school, church, and many extracurricular groups, finding extra time to volunteer is difficult. Daisy has this advice for LIONS leaders to help encourage other youth to join. *"Be more active on social media sites and reach out to schools and other youth groups and talk about LIONS."* Lions know the power of knowledge, getting our story out to more youth groups is good advice and a challenge to all.

And when reaching out to those young adults, she wants them to know, *"All are welcome and more diversity is needed in the LIONS. Find little ways to celebrate yourself. Congratulate yourself for all the ways you have adapted and persevered."*

Celebrating all LIONS, LEOS, and volunteers, young and old! Let everyone find their "voice" and enjoy being a part of an organization that embraces and welcomes everyone!

NAMI

North American Membership initiative or NAMI is a focused program designed to address and reverse the 40 year decline in Lions membership in North America.

This Global Membership Approach begins with looking at our District and Club's strengths, weaknesses, opportunities and threats or SWOT.

Our first step in identifying these was at the cabinet meeting June 7 held at the House Springs Lions Club.

Six groups discussed and identified what they thought were the short, one-line answers in each area. They are listed below for all to review, contemplate and perhaps add more as we build a team, build a vision, build a plan and build for success.

More information will be forthcoming as we build a team and plan.

SWOT Results from Cabinet meeting June 7

Strengths:

- Lions passion for helping others.
- Largest service organization in the world
- Diversity
- Good leadership
- Have fun
- Help each other within District
- Some excellent communication
- Good newsletter
- Core people in each club
- Variety of opportunities
- Service to people
- Every dollar goes back to help others
- More service than just sight

Weaknesses:

- Don't let public know what we do
- Meetings
- Membership fees
- Resistance to change

- Non-active members
- Aging members
- Sponsors not acting as mentors
- Poor communication
- Poor communication with young people
- Poor engagement with schools
- Cliques, “old boy” networks
- Too many chiefs and not enough chiefs – equalize distribution of responsibility
- Lack of social media presence
- Don’t ask enough or follow through, member involvement
- Repeat leadership, don’t promote advancement, training, education

Opportunities:

- Expose Lions to communities
- Share service
- Ask how others want to serve
- Do service at fundraisers – combine both
- Use social media to promote – tell story
- Talk about Lions, service, projects – invite to help/join
- Invite community leaders/other organizations to speak at meetings
- Set up informational booths, have handouts at events

Threats:

- Competition from other non-profits
- Lack of promotion – telling about Lions
- Inflation/cost of membership or volunteering
- Community not allowing certain events or fundraisers (gun raffles)
- Changing attitude on volunteerism
- Competition for time
- Targeted social media/account deletions
- Blame others – not my fault
- Can volunteer without membership costs – don’t join

What are your thoughts?

Lions Clubs International

Dear Lion,

Due to the continuing concerns about the coronavirus (COVID-19) pandemic, the board of directors voted to transition the 2021 Montreal Lions Clubs International Convention to a virtual event that will be delivered totally online. This decision was made with the health and safety of our Lions, staff and vendors in mind as limiting international travel and large gatherings is key to global containment strategies.

Although we are disappointed that we won't be able to host this event in person, we are excited about hosting our first virtual international convention that can safely connect Lions from around the world. We are still finalizing the details of your new convention experience, and will share those with you as soon as they are ready.

Here are some important details about the 2021 virtual convention we'd like to share with you:

- **Everyone's invited** – Our 2021 convention will be a virtual event that's open to all Lions and Leos around the world.
- **Registration fees** – The registration fee will be US\$50 until March 31, then US\$75 beginning April 1. The registration fee for Leos will be US\$30 regardless of date. Convention is currently scheduled for June 25-29. Additional event and registration details will be provided soon.

- **Current registrants** – Lions who are currently registered for convention will receive an email soon with more information about their registration options.
- **Elections** – Executive officer and international director elections will be conducted electronically, and voting procedures will be forthcoming.
- **Convention updates** – Check our convention website [LCICon](#) for convention updates and details as they become available.

This global health pandemic has forced us all to make decisions and changes that place health and safety first. However, we are optimistic that with each new day there is hope, and as Lions, we continue to find new ways to stay connected, safely serve our communities and continue our global mission of service.

We appreciate your understanding during this challenging time for our organization and the world, and thank you for your incredible service as a Lion.

Regards,

Dr. Jung-Yul Choi
International President
